EASTCOTE HOCKEY CLUB MEN'S FIRST XI COACH

Having finished second in the MBBO Regional League for the past two seasons, Eastcote is preparing for the final push back to the South Premier League. The current player/coach is moving to a new, important role within the club, giving rise to the post of Men's Coach or Player/Coach.

The new Coach will be responsible for the skills and fitness levels of the first and second XI. Minimum time requirement will be Thursday evening training, and Saturday (occasionally Sunday) matches.

Emphasis is also placed on the importance of liaison with colts and club coaches on the development and integration of younger players.

It is hoped that the new Coach will be able to attract new players to the team, to assist in taking the promotion project forward.

Eastcote is a large and friendly club, fielding sixteen teams each Saturday, and coaching in excess of 150 youngsters each Sunday.

The club's own pitch is located adjacent to the clubhouse and changing rooms.
