

## Information for teams visiting Oxford Hawks

1. Our COVID guidelines, incl Player Protocol, and the site risk assessment are found [here](#)
2. All visitors to Oxford Hawks must carry Out a 'Pre-Attendance Symptom Check' and must not attend if displaying;
  - a. a high temperature (above 37.8oc)
  - b. a new, continuous cough
  - c. a loss of, or change to, their sense of smell or taste.
3. We (Oxford Hawks) do not need to know the names of your players/spectators – this is something that you are responsible for tracking
4. There is a one way system in place around the site – please see the map which shows the route for players to follow to access the pitches (in green) and how to leave the pitches (red). The route for spectators is also clearly signed.
5. Hand sanitiser is available at various places around the site – please see the map. You are recommended to bring your own supply as well.
6. The clubhouse and changing rooms are out of action (i.e. there will be no showers available). However the changing rooms will be open so that the toilets can be used
7. The dugouts are off limits to ensure social distancing. When you get to the pitch you will see coloured ropes attached to the fence indicating where players should place their kit bags to maintain safe distances.
8. There IS drinking water available by the pitches, with hand sanitiser next to the taps
9. You must not enter the pitch area until the pitch area is clear of any previous users.
10. We are currently offering post match teas outdoors. Please see the following notes around this:
  - a. Players will initially be fed from the kiosk or Barbeque immediately after their games have finished (see map). The order of the day will be food that can be easily and efficiently served in paper serviettes - such as paninis, burgers, hot dogs etc. with sauce sachets. No utensils will be needed. It should be possible to do this at the kiosk and keep queueing /waiting time to a minimum.
  - b. Whether this proposal proves to be viable and, much more importantly, whether it proves to be safe will depend almost exclusively on the level of compliance of all club members and visiting teams to the following basic ground rules:-
    - i. Meals need to be collected as soon as reasonably possible after a match has concluded.
    - ii. Anyone queueing to collect a meal must observe social distancing.
    - iii. Once you have collected your meal please move well away from the area around the kiosk.
    - iv. Please do not congregate in the very limited spectator area to eat your meal.
    - v. Please ensure that you do not mingle in groups of more than 6 persons (including any children) anywhere in the ground.
    - vi. If you decide to consume your meal at Hawks you should ensure that you dispose of any uneaten food/rubbish safely and responsibly i.e. in the bins around the ground
    - vii. We encourage you to take your bags back to your car before coming back for teas to ensure there is more space at the site
11. The Club's Covid-19 Officer is Henri Gordon, contacted at [henricoles11@gmail.com](mailto:henricoles11@gmail.com). Please contact her asap if any of your players develop COVID symptoms with 21 days of visiting Oxford Hawks.
